Twenty-second Sunday in Ordinary Time

Humbly welcome the word that has been
planted in you

and is able to save your souls.

-- James 1:21b

Welcome the Word

THE HIGHEST LAW

From time to time, newspapers and magazines will offer, as an item of "filler," various laws that are still on the books but seem silly to us in our day and age. In one California city, it is illegal to have two indoor bathtubs in one house. Clean water, a precious commodity when the law was written, is now readily available, so the law seems silly. But the human value of protecting and preserving precious resources is still around, evident in many conservation laws that seem sensible to us. So it is with the laws of religious tradition. What Jesus scorns today is others' attitude toward ritual laws, an attitude that becomes nearly idolatrous when laws are observed for their own sake. What Jesus teaches today is that observation of external ritual laws is of value only when they are emblems of our internal disposition toward the will of God. Our whole lives must follow the one ultimate law of God: to love God completely and to love neighbor entirely. Roman Catholicism is a tradition rich with customs, traditions, and even laws. As we continue to listen to the voice of Christ, we must always look into our own hearts and underneath our ritual practices to make sure that love of God and love of neighbor are what we prize above all.

A PARENTING POINTER

Memory making sometimes means sharing one of your own childhood memories with your son or daughter. Think of a funny, sad or meaningful experience (or even a mistake from your childhood) and entrust it to your child. It doesn't cost anything but it can bring you closer together.

A MARRIAGE MOMENT
Is your marriage going well? Great! Maybe it's time to give back. Consider passing on your hard earned wisdom as a mentor to engaged couples or taking leadership in a marriage enrichment program. If you are blessed you have responsibilities.
